You are prohibited from modifying, copying, distributing, transmitting, displaying, publishing, selling, licensing, creating derivative works or using any Content available on or through the Nautilus Neurosciences, Inc. Web site for commercial or public purposes unless specifically allowed herein.

## **Forward-Looking**

Statements This Web site contains forward-looking statements, which reflect the Corporation's current expectations regarding future events. The forward-looking statements involve risks and uncertainties. Actual events could differ materially from those projected herein and depend on a number of factors, including the successful and timely completion of clinical studies, the uncertainties related to the regulatory process, and the commercialization of the drug thereafter. Investors should consult the Corporation's ongoing quarterly filings and annual reports for additional information on risks and uncertainties relating to these forward-looking statements. The reader is cautioned not to rely on these forward-looking statements. The Corporation disclaims any obligation to update these forward-looking statements.

## **Medical Information**

The Content of this Web site, including but not limited to text, graphics, images, information obtained from third parties, software, and other material contained on the Web site are for informational purposes only. The Content is not intended to be a substitute for professional medical advice, diagnosis, or treatment. Always seek the advice of your physician or other qualified health provider with any questions you may have regarding a medical condition. Never disregard professional medical advice or delay in seeking it because of something you have read on this Web site.

## **Links To Other**

Sites This Web site contains links to third party Web sites. These links are provided only as a convenience. The inclusion of any link is not and does not imply an affiliation, sponsorship, endorsement, approval, investigation, verification or monitoring by Nautilus Neurosciences, Inc. of any information contained in any third party Web site. In no event shall Nautilus Neurosciences, Inc. be responsible for the information contained on that site or your use of or inability to use such site. Access to any other Internet web site linked to the Nautilus Neurosciences, Inc. Web site is at your own risk. You should be aware that linked web sites may contain rules and regulations, privacy provisions, confidentiality provisions, transmission of personal data provisions, and other provisions that differ from the provisions provided on the Nautilus Neurosciences, Inc. Web site. Nautilus Neurosciences, Inc. is not responsible for such provisions, and expressly disclaims any and all liability related to such provisions.

## **No Warranties**

Nautilus Neurosciences, Inc. does not warrant the quality, accuracy, or completeness of any claims, statements, or information on this site. Further, Nautilus Neurosciences, Inc. makes no representations about the suitability of any of the information contained on this Web site or any other Web site for any purpose. All information is provided "as is" and "as available" without warranty or condition of any kind. In no event shall Nautilus Neurosciences, Inc. be liable for any damages whatsoever, including special, indirect, or consequential damages, arising out of or in connection with the use of content available on this Web site.

Nautilus Neurosciences, Inc. does not warrant the information or services provided herein or your use of this Web site generally, either expressly or impliedly, for any particular purpose and expressly disclaims any implied warranties, including but not limited to, warranties of title, non-infringement, merchantability or fitness for a particular purpose. Nautilus Neurosciences, Inc. will not be responsible for any loss or damage that could result from interception by third parties of any information or services made available to you via this Web site. Although the information provided to you on this Web site is obtained or compiled from sources Nautilus Neurosciences, Inc. believes to be reliable, Nautilus Neurosciences, Inc. cannot and does not guarantee the accuracy, validity, timeliness or completeness of any information or data made available to you for any particular purpose. You understand that Nautilus Neurosciences, Inc. does not operate or control the products, services information, advice or content offered by any third party that participates in the Nautilus Neurosciences, Inc. Web site Neither Nautilus Neurosciences, Inc., nor any of its affiliates, directors, officers or employees, nor any third party vendor, will be liable or have any responsibility of any kind for any loss or damage that you incur in the event of any failure or interruption of this Web site, or resulting from the act or omission of any other party involved in making this Web site, the

data contained herein or the products or services offered on this Web site available to you, or from any other cause relating to your access to, inability to access, or use of the Web site or these materials, whether or not the circumstances giving rise to such cause may have been within the control of Nautilus Neurosciences, Inc. or of any vendor providing software or services. In no event will Nautilus Neurosciences, Inc. or any such parties be liable to you, whether in contract or tort, for any direct, special, indirect, consequential or incidental damages or any other damages of any kind even if Nautilus Neurosciences, Inc. or any other such party has been advised of the possibility thereof. This limitation on liability includes, but is not limited to, the transmission of any viruses which may infect your equipment, failure of mechanical or electronic equipment or communication lines, telephone or other interconnect problems (e.g., you cannot access your internet service provider), unauthorized access, theft, operator errors, strikes or other labor problems or any force majeure. Nautilus Neurosciences, Inc. cannot and does not guarantee continuous, uninterrupted or secure access to the Web site.

## **Miscellaneous**

These Terms and Conditions shall be governed by and construed in accordance with the laws of the State of New Jersey, without regard to conflicts of laws provisions. Sole and exclusive jurisdiction for any action or proceeding arising out of or related to these Terms and Conditions shall be in an appropriate state or federal court located in the City and County of Somerset, State of New Jersey and the parties unconditionally waive their respective rights to a jury trial. Any cause of action you may have with respect to your use of this Web site must be commenced within one (1) year after the claim or cause of action arises. If for any reason a court of competent jurisdiction finds any provision of these Terms and Conditions, or a portion thereof, to be unenforceable, that provision shall be enforced to the maximum extent permissible so as to effect the intent of these Terms and Conditions, and the remainder of these Terms and Conditions shall continue in full force and effect. These Terms and Conditions constitutes the entire agreement between Nautilus Neurosciences, Inc. and you with respect to this Web site and it supersedes all prior or contemporaneous communications, agreements and understandings between Nautilus Neurosciences, Inc. and you with respect to the subject matter hereof.
